

FRIENDS OF HIGHVALE

LET'S WORK TOGETHER!

Come help out the Friends of Highvale!

The Friends of Highvale is a dynamic team devoted to developing a community of parents, friends and families and are looking for some help. Our main objective is to seek ways to enhance our students' learning experience.

We are looking for a group of people who are happy to help. You don't have to come to meetings, don't need to plan or do the preparation, but if you are willing to come and assist at an event, that would be much appreciated.

Here's why you should join us:

1. **Get Connected** – There's no better way to know what's happening in your school and your child's education.
2. **Be Informed** – be the first to know what's going on and have your say in what happens.
3. **It's FUN!** – The Friends of Highvale functions are opportunities to meet new people and parents in your children's year level. It's a great way to share your ideas in a place that could make a difference in your child's experience.

What can I do?

Let us know you're interested –

send friends@highvalesc.vic.edu.au an email to ask us to add you to our email list. This is how we will keep you up to date with what we are doing and how you can help **OR** send this form back to the office with the section at the bottom filled out.

What will happen then?

When we are planning an event, function, information night or the Debutante Ball, we will be in touch to ask if you can help us. We won't send you hundreds of emails – just a request for assistance occasionally, and updates on what we are doing.

Of course you can join the Friends of Highvale and help organize the events too. No matter how big or small your assistance is, we would much love your help, and can't wait to welcome you into our community.
