Students keen on living in campus accommodation whilst at university, might like to consider the options at [Student Village Melbourne](#).

Advanced Diploma of Building Design (Architectural)

Prepare for a creative career as an architectural building designer or draftsman with our building design course. You'll learn about architectural design and the construction of residential and commercial buildings with a focus on sustainable design.

In the Building Design course, students gain skills employers are looking for such as *design and technical drawing, project management* and the *selection of materials*. Students also get the chance to meet future employers and present their project drawings at industry presentation functions.

Combining theory with practical, our building design course equips students with the know-how to problem solve and apply expertise to real world projects.

Working in a supportive, tutorial-style classroom, the teachers are industry leaders in their field who will share their experience and help students apply sustainability to their building designs.

Students in the course will also get access to Box Hill's million-dollar technology hub that houses computers offering all the latest architectural software and training, including: *AutoCAD, Revit, Sketch-up Pro, Photoshop, 3DS Max animation software, Rhino, MS Project, FirstRate 5, and Lumion*

Find out more at [Advanced Diploma of Building Design \(Architectural\)](#)

Tax File Number

Year 12 students are reminded yet again that it is important they have a Tax File Number (TFN) when enrolling in a CSP (Commonwealth Supported Place) university course next year. Students who do not have one are reminded to apply for a TFN online and have their identity verified through an interview at a participating Australia Post office.

To apply and also to find out about participating Post Offices, visit [TFN Application](#).

Useful Websites/Links

Discover [Your Career](#) – a new website launched by the National Careers Institute, and become more informed about career ideas, career industries, and how to become job ready.

Low Income Health Care Card for Australian Students

*Once you have finished school you are no longer a student and you may be eligible for a **Low Income Health Care Card**.*

This card gives access to a range of concessions, not only on some health care items but also on a range of other goods and services if you are on a low income.

In particular, some TAFE and other short courses may offer discounts for cardholders.

You may also be eligible for public transport concessions (note that if you are studying interstate you are not eligible for public transport concessions in Victoria).

Eligibility for a Low Income Health Care Card is based on YOUR income over the previous 8 weeks. As long as your income is less than \$5,088 over that period (or \$636 per week) you should qualify. You will maintain the Low Income Health Care Card as long as your income does not exceed \$6,360 (or \$795 per week) in any 8 week period.

It is highly recommended that all graduating Year 12 students consider applying for this card once the exams are over.

Visit [Low Income Healthcare Card](#) and find out more about all the benefits, and how to apply.

Pharmacy & Pharmaceutical Science Courses in Victoria in 2021

The Good Universities Guide states that a [Pharmacist](#) supplies, dispenses and manufactures medicines, whilst, according to the Explore Health Careers website, a [Pharmaceutical Scientist](#) spends more time in the laboratory studying and discovering medicines. **Pharmacy and Pharmaceutical Science undergraduate degrees for school leavers offered in Victoria include:**
