Apprenticeships and Employment

MEGT is an Australian not-for-profit organisation that has been supporting local employers, apprentices, trainees, job seekers and students for over 35 years.

Our experienced local consultants work across every state in Australia, and in the ACT helping Aussie businesses, apprentices and trainees get the most from the Australian Apprenticeships programme.

MEGT has over 35 years of experience in matching job seekers and employers, and they have a higher than the national average apprenticeship completion rate.

MEGT has a [Career Hub](#) packed full with tools and information for potential apprentices and trainees, and students considering an apprenticeship or traineeship are encouraged to register on the Career Hub and receive support in searching for an apprenticeship or traineeship. Once registered, job seekers have access to a range of tools and information to assist them in their search for an apprenticeship or traineeship, including our Career Quiz, Skills Assessment, and job seeker toolkit.

The Career Hub Team will chat with job seekers about any questions they might have about becoming an apprentice or trainee or connect them with one of the MEGT Career Advisors, who can provide guidance on appropriate training and development pathways. [Register here](#).

MONASH University

Monash Entry Schemes

At Monash, we know that a student's ATAR might not accurately reflect their ability. Life can be a bumpy road, and there are all sorts of circumstances that can get in the way of a student's academic achievement.

We operate two schemes – the Monash Guarantee and the Special Entry Access Scheme (SEAS) – that can help students enter their preferred course, even if their ATAR is below the lowest selection rank.

By having two schemes, Monash wants to create a level playing field for everyone who aspires to an exceptional education. By operating both schemes, Monash can also help as many students as possible reach their full potential.

Students do not have to choose between the two schemes – depending on their situation and background, they could be eligible for one or both.

1. The Monash Guarantee

The Monash Guarantee can get a student into a Monash course even if they do not reach the course's lowest selection rank. Students could be eligible for the Monash Guarantee if they:

- have experienced [financial disadvantage](#)
- live in a [low socio-economic area](#)
- are an [Indigenous Australian](#)
- attend a [Monash list under-represented school](#)

Every Monash undergraduate degree has a [Monash Guarantee ATAR](#), which is lower than the expected selection rank for that course. For most courses, if a student meets the [eligibility criteria](#), achieves the Monash Guarantee ATAR (starting at 70.00), and completes all course prerequisites, they will be eligible for a place at Monash. To be considered for the Monash Guarantee, Year 12 students must *submit a VTAC course application, complete a Special Entry Access Scheme (SEAS) application including any required documentation, and complete a VTAC Scholarship application.*

Find out more at [The Monash Guarantee](#).

2. Special Entry Access Scheme (SEAS)

SEAS adjusts a student's ATAR in recognition of circumstances that may have affected their education. This gives students a better chance of getting an offer for the course they want. Monash uses this adjusted ATAR for selection into a course.
