

Dates to Diarise in Term 3

- **University / TAFE Open Days 2019** – throughout August
- **Year 12 VTAC timely applications** – throughout August and September
- **VTAC SEAS and Scholarship applications** open August and September

Melbourne Careers Expo

The Melbourne Career Expo provides the perfect opportunity for organisations to promote their courses, employment opportunities, products, or brand to a large captive audience. This event is one of the largest Career and Employment Expos in Australia with 150+ exhibitors and 16,000 attendees expected.

Dates: Friday 26 July – Sunday 28 July 2019

Times: Friday, 10am – 3pm, Saturday & Sunday 10am – 4pm

Venue: Melbourne Exhibition and Convention Centre, Door 9

Visit [Melbourne Career Expo](#) for a list of participating institutions, and to download a *free ticket*

News from Bond University

➤ Reminder: Scholarships at Bond

A reminder that students applying for the Vice-Chancellor's Scholarship must submit their application by **1 August 2019** and that the closing date for all other scholarships is **6 September 2019**.

Scholarship applications should be submitted online; students should note that only one application needs to be made, and students can apply for as many scholarships they are eligible for.

Visit [Bond University Scholarships](#) for a comprehensive list of scholarships, including other sport scholarships, and/or to apply.

Also visit [Bond Application Tips](#) to read through useful tips on applying effectively.

➤ Transformer Program

Transformer is an Australian-first entrepreneurship program offered as a fee-free, extracurricular option to undergraduate and postgraduate students from all disciplines. Based

in a dedicated co-working space, it provides a collaborative environment where students can work on a project, taking it from the initial idea through to execution.

Transformer Scholarships are awarded annually to students beginning their Bachelor's degree or Master's degree study at Bond University in the following year, January semester.

Transformer Scholarships offer up to 50% tuition remission for any single undergraduate Bachelor's degree or postgraduate Master's degree program (excluding the Bond Medical Program) and are awarded to students who have high potential to affect real change through participation in the Transformer program. **Find out more at [Transformer Program at Bond](#)**

What is the difference between osteopaths, physiotherapists and chiropractors?

Sport Development/Leadership and Management

This unique dual diploma is designed to complement your development as an athlete with a strong emphasis on experiential learning and practical skills and a focus on management and leadership capabilities.

The program is aimed at developing the next generation of leaders within the sports industry and delivered by Richmond Institute of Sports Leadership and Swinburne University of Technology. Students will have access to state-of-the-art high performance training, teaching, and learning facilities. In addition, they will gain an industry placement and on successful completion of the dual diploma, be eligible for a guaranteed university pathway into selected Bachelor courses.

Register and/or find out more at [Diploma Sport Development/Diploma Leadership and Management](#)

Bachelor of Medical Imaging at Deakin

Deakin University offers a 4-year Medical Imaging – otherwise known as Medical Diagnostic Radiography – at its Geelong Waurn Ponds Campus. The course provides students with the opportunity to develop the knowledge, skills and clinical expertise for them to practise as a registered diagnostic radiographer.

Students get to use the latest equipment, and learn basic x-ray techniques, before advancing to more complex medical imaging procedures such as general radiography, digital vascular imaging, mammography, computed tomography (CT), general ultrasound (U/S) and magnetic resonance imaging (MRI).

Students undertake substantial clinical practice in clinical centres, medical imaging clinics and hospitals, as well as at Deakin's own three-roomed, state-of-the-art medical imaging training unit. Clinical placements typically take place at facilities across rural and regional areas of south-west Victoria. Interstate placements may be available at the expense of the student.

The **VCE entry requirements** are Units 3 and 4: a study score of at least 30 in English (EAL) or at least 25 in English other than EAL; and a study score of at least 25 in one of Biology, Chemistry or Physics; and a study score of at least 22 in one of Maths: Mathematical Methods (any) or Maths: Specialist Mathematics, or a study score of at least 30 in Maths: Further Mathematics

Subject Bonuses may also be awarded: A study score of 40 in any English equals 3 aggregate points per study. A study score of 35 in Biology, Chemistry, Maths: Mathematical Methods, Maths: Specialist Mathematics or Physics equals 3 aggregate points per study. A study score of 35 in any English or Maths: Further Mathematics equals 1 aggregate point per study. A study score of 30 in Biology, Chemistry, Maths: Mathematical Methods, Maths: Specialist Mathematics or Physics equals 2 aggregate points per study. A study score of 40 in Maths: Further Mathematics equals 2 aggregate points. Overall maximum of 12 points.

Units 3 and 4: a study score of at least 25 in English (EAL) or at least 20 in English other than EAL. ATAR 2019: n/a

Careers in Project Management

There are so many similar definitions or statements of what a project manager does, and one useful website* states that project managers *ensure the project is completed on time and within budget, that the project's objectives are met and that everyone else is doing their job properly. Project managers oversee the project to ensure the desired result is achieved, the most efficient resources are used, and the different interests involved are satisfied.*

The website goes on to mention the typical industries project managers work or are employed in –

- Construction companies
- Architects
- Software producers
- Commercial retailers
- Engineering firms
- Manufacturers
- Public sector organisations
- Aviation

*[Target Jobs UK - Project Management](#)

There are several universities in Victoria that offer courses or majors focused on equipping students with a qualification or specialisation in project management, and a some of these courses include –

INSTITUTION	COURSE	VCE PREREQUISITES	2019 ATAR
Charles Sturt University	Management	No VCE prerequisites but an ATAR is used for selection	n/a (SC)
Deakin University	Business Analytics	Units 3 and 4: a study score of at least 25 in English (EAL) or at least 20 in English other than EAL.	n/a (M)

GETTING THE MOST OUT OF AN OPEN DAY

Most institutional Open Days are held in late July and August (see over the page for Open Day dates). However, you are more than welcome to contact an institution to arrange a visit any time.

What happens on an Open Day?

On Open Day you can visit an institution when it's at its best. Everyone is there – academics, lecturers, current students, and information officers. More importantly, you can talk with academics, lecturers, and current students about what certain courses are actually like, and what is required to get into them.

Who should attend an Open Day?

Anyone who is considering studying at a tertiary level in the next few years should attend.

Why should you attend an Open Day?

Apart from the opportunity to obtain course information there are many other reasons why attending an Open Day is a good idea:

- You are going to feel more comfortable arriving at a university or TAFE institute on the first day of classes if you have been there before.
- What is really involved in the course or courses you are interested in?
- If you have to move away from home, where are you going to live?
- Will you be happier studying in a large metropolitan institution or a smaller, perhaps rural institution?
- What does the place 'feel' like? Is it a bustling environment with lots of activity or a quieter, more relaxed campus set in landscaped grounds?
- How are you going to get there? Is it close to public transport or should you start saving now for a car?

If you don't know the answers to any of these questions, then you should attend an Open Day!

How to make the best of Open Days?

To make your Open Day visits fun and informative, here are some pointers:

- Write down a list of questions you would like to ask about particular courses
- Be there early. Crowds tend to develop as the day progresses
- On arrival, get a map from a central point and ask for directions to the relevant faculties or schools
- Ask questions!
- Don't spend the day collecting printed information only. Use the opportunity to speak directly with academics before applications close
- Introduce yourself to selection officers if you feel it is appropriate, but don't be pushy
- Check out the residential colleges, if available. After all, it is you that will be living there.
- Walk around the campus. Have a good look! See what sporting facilities and other services are available.
- Enjoy the visit!
