Guaranteed Entry Scheme

The University offers four types of guaranteed entry pathways to its professional entry graduate courses. For each pathway, students must enrol in an undergraduate degree at the University of Melbourne to be eligible. A guaranteed entry is available for most graduate degrees, depending on the ATAR a student achieves:

ATAR of 99.90+ Melbourne Chancellor's Scholarship	<p>A guaranteed place in any professional masters degree, and no minimum Grade Point Average (GPA) in the undergraduate degree is required although prerequisites for the graduate degree must be met.</p> <p>Visit Melbourne Chancellor's Scholarship to find out more specific details about the exact value of the scholarship for domestic and International students.</p>
ATAR of 96.00 – 99.85	<p><u>Domestic students</u> will be guaranteed a CSP place in a professional entry masters (coursework) degree from a select list, if they satisfy the course prerequisites. In most cases they need to achieve a particular weighted average mark (GPA) in their undergraduate degree as well.</p> <p><u>International students</u> will be guaranteed an international fee place in a professional entry masters (coursework) degree from a select list, if they satisfy the course prerequisites. In most cases they need to achieve a particular weighted average mark (GPA) in their undergraduate degree as well.</p> <p>Visit Courses for ATARs above 96 to find out which courses apply and the exact GPA required.</p>
ATAR above 94.00	<p>A guaranteed Australian fee or international fee place into one of a limited list of graduate programs for students who commence and complete an undergraduate course at the University of Melbourne with a GPA of 75%, and meet the prerequisites for the graduate degree.</p> <p>Visit Courses for ATARs above 94 to find out which courses apply.</p>
No ATAR	<p>These guaranteed entry pathways into limited graduate courses are based on academic performance in a current University of Melbourne undergraduate degree, and are not subject to any ATAR requirement. Eligibility will also be based on meeting the prerequisites for the graduate degree.</p> <p>Visit Course Guarantees without an ATAR to find out more.</p>

MONASH University

News from Monash University

➤ **Monash Entry Schemes**

At Monash, we know that a student's ATAR might not accurately reflect their ability. Life can be a bumpy road, and there are all sorts of circumstances that can get in the way of a student's academic achievement.

We operate two schemes – the Monash Guarantee and the Special Entry Access Scheme (SEAS) – that can help students enter their preferred course, even if their ATAR is below the clearly-in.

By having two schemes, Monash wants to create a level playing field for everyone who aspires to an exceptional education. By operating both schemes, Monash can also help as many students as possible reach their full potential.

Students do not have to choose between the two schemes – depending on their situation and background, they could be eligible for one or both.

1. The Monash Guarantee

The Monash Guarantee can get a student into a Monash course even if they do not reach the course's clearly-in ATAR. Students could be eligible for the Monash Guarantee if they:

- have experienced [financial disadvantage](#)
- live in a [low socio-economic area](#)
- are an [Indigenous Australian](#)
- attend a [Monash list under-represented school](#)

So, every Monash undergraduate degree has a [Monash Guarantee ATAR](#), which is lower than the expected clearly-in for that course. For most courses, if a student meets the [eligibility criteria](#), achieves the [Monash Guarantee ATAR](#) (starting at 70.00) and completes all course prerequisites, they will be eligible for a place at Monash. To be considered for the Monash Guarantee, Year 12 students must *submit a VTAC course application, complete a Special Entry Access Scheme (SEAS) application including any required documentation, and complete a VTAC Scholarship application.*

Find out more at [The Monash Guarantee](#).

2. Special Entry Access Scheme (SEAS)

SEAS adjusts students' ATAR in recognition of circumstances that may have affected their education. This gives students a better chance of getting an offer for the course they want. Find out more at [Monash SEAS](#)
