Career as a Podiatrist

The **Good Universities Guide** states that *Podiatrists look after the health of people's feet by diagnosing, treating and preventing foot abnormalities, and educating the public about good foot health. Podiatrists may develop a special interest in dealing with particular client groups, such as children, the aged or sportspeople. They may also work in a particular area, such as occupational health, or with general medical conditions that result in foot and leg problems.*
