YEAR 12 PARENT PAYMENT ARRANGEMENTS 2023

Dear Parent/Guardian

Highvale Secondary College is looking forward to another great year of teaching and learning and would like to advise you of Highvale's voluntary financial contributions for 2023.

Schools provide students with free instruction to fulfil the standard Victorian curriculum and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students and has made a huge difference to our school and the programs we can offer.

This support has allowed us to offer a wider range of subjects and specialised curriculum experiences, including enhanced digital learning opportunities assisted by online learning resource programs and platforms available to our student. Parent contributions have enabled the College to update our bank of computer netbooks that are available for student classroom use.

Parent support has also assisted with the general maintenance and improvement of College facilities. This has included construction of our college theatre, provision of shade structure and seating to basketball courts, various shade sails, college fencing and music pods, as well as enhancement to college gardens and outdoor spaces for student use.

For further information on the Department's Parent Payments Policy please [click here](#) to view.

Please find the charges schedule for *Year 12* attached. Please complete this form and return to the College or alternatively log on to Compass to set up your payment arrangements.

Highvale Secondary College makes every effort to keep the cost of items and activities affordable for all parents.

Yours sincerely

Ian Watkins
